## 02 Overview

The M23 modular LED flood light is the high-power AC-powered workhorse of our stadium / industrial lighting lineup. SMD 3030 LED modules in a modular configuration deliver 10 档功率 50W-1000W with 130-150 lm/W output.

Each module is independently replaceable, slashing service costs. 6kV surge protection,  $PF \geq 0.95$ , IP65 die-cast aluminum housing.  $CRI \geq 70$  (or  $\geq 80$  on request). 180° adjustable mounting bracket.

Common applications: sports stadiums, port terminals, airport aprons, construction sites, industrial yards, mining sites, large parking lots, and security perimeters. CE, RoHS, ISO 9001 certified. 5-year warranty on the fixture.
