IP Rating	IP65
Color Temperature	3000K/4000K/6000K
Optional	地插/底座 / Spike and base optional
Material	Aluminum + PC
Warranty	3 years

02 Overview

The TX-07射灯 is a compact solar-powered wall light / spot light for residential and commercial outdoor use. SMD 3030 150LM/W LED module paired with a 3.2V/12AH battery and 5V/5W*3 delivers 8-12 hours of illumination per charge.

Available options: 地插/底座 / Spike and base optional. The L280*W220*H195MM die-cast aluminum housing is IP65 rated, suitable for rain, dust, and salt-spray environments. Color temperature selectable (3000K/4000K/6000K). Easy wall-mount or ground-stake installation, no wiring required.

Common applications: fence walls, garden walls, signage uplighting, doorway lighting, courtyard accent lighting, and small landscape features.
